## **Freedom of Information Request Reference N°: FOI 000860-18**

I write in connection with your request for information received by Suffolk Constabulary on the 5 March 2018 in which you sought access to the following information:

*“How many homeless people or rough sleepers have been arrested under the Vagrancy Act 1824 in the last five years for which figures are available?”*

### **Response to your Request**

The response provided below is correct as of 20 March 2018

Suffolk Constabulary has considered your request for information and the response is below.

A search has been completed of the Constabulary's crime system for all vagrancy offences recorded, between 1 August to 31 December 2017.

The total number of arrests made where the individual had 'no fixed abode' is as follows:

<b>Year</b>	<b>Total Arrests</b>
2013	12
2014	14
2015	1
2016	0
2017	0

***Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this force's response to your questions should not be used for comparison purposes with any other response you may receive.***
