BURY ST EDMUNDS

RESPOND

The SNT have been working in partnership with the NRT and the local community in developing intelligence, grown from concerns around ASB and drug dealing at an address on the Nowton Estate. A drugs warrant was executed at the location where by a quantity of Class A drugs were recovered and 3 arrests made. All 3 persons have been released under investigation. During this time one of these males was further detained for a search, believed to be in possession of Class A drugs, transporting drugs into Bury via train. The male was found to have 47 wraps on heroin in his possession. He is now in prison awaiting trial.

MAKING YOUR COMMUNITY SAFER

The SNT have had a busy month getting out into the community to give a number of talks and advice surgeries.

PCSO Michelle Crompton, our vulnerable communities Spoc has given talks to audiences at the Quaker meeting House, the Bury Deaf Association and at Davers Court Residential Home covering topics including fraud awareness, on-line safety and mate crime. PCSO Crompton says "I really enjoy giving these talks. The audience is always so receptive and engaging. When I first started visiting some of these vulnerable groups, they were a little bit wary of my uniform, but now they are so eager to ask questions and raise any concerns with me. It really is rewarding".

PREVENTING, REDUCING AND SOLVING CRIME AND ASB

A male that has been causing a nuisance in the town centre with low level disorder, ASB and petty theft, causing a nuisance to business and shoppers was issued with a Community Protection warning letter. Following an encounter with this male PCSO Emily Howell saw him with a laptop, and after some excellent investigative work she identified this as stolen and gathered the evidence together. The male was charged with this offence of theft, amongst other offences has been convicted and sentenced to 12 weeks in prison.
