Concerns in relation to illegal parking on footpaths in and around the Framlingham town centre.

We did...

High visibility foot/mobile patrols to reduce offending and enforce parking restrictions, together with forthcoming work in partnership with local businesses to reduce any further issues.

Responding to issues in your community

Following concerns of the use of non domestic fireworks at a party in a residential area. SNT made contact with complainants and visited the location to assess the issues. This was then flagged up to other partnership agencies with a view for them to take possible further enforcement action.

Making the community safer

Continuing work to support and promote Community Speed Watch consisting of the assessing of new CSW monitoring sites and supporting CSW volunteers.

Reassurance visits to vulnerable persons involving concerns for their welfare and linking these people with partnership agencies.
