### Responding to issues in your community

Police are continuing to work with partners to try and secure funding for a new skate park in Newmarket, to be situated at George Lambton but close to Tesco's. The view is this will be better lit and nearer to other through fares, which will decrease the issues experienced at the old one in its current location.

Police recently gave a hard hitting input to the young people at the Newmarket Academy in relation to Cyber Crime. Making them aware of the dangers of the Internet that exist.

### Making the community safer

Information in relation to ongoing issues around drug dealing in the Town still feature high at community engagement events held by police. We are fully aware and have had success with warrants carried out in the area, however we still need you, the public to keep supplying us with the intelligence, so we can continue and even increase our action around this type of crime.

Complaints of speeding and parking continue and we will continue to carry out patrols to deal with offences, however we cannot be everywhere all the time.

If you require more detailed information on crime & ASB figures they are available from the website [www.police.uk](http://www.police.uk).

## **Preventing, Reducing and Solving Crime and ASB**

'We have spoken to you a lot about the changing demands we are facing in policing our communities and keeping you safe. In order to keep you updated and to help you understand the demands that we are dealing with on a regular basis, we have developed a focused section as part of this newsletter highlighting the demands at both your SNT and force level across a typical week. This information provides you with the context in which your local teams are currently working. We hope that you find this helpful and informative.' ACC Kearton, Local Policing.
