

CREATIVE ART DISPLAY VOLUNTEER

We are currently seeking creative volunteers with a passion about art. If you would like to use your vision and flair to help create amazing displays within our Police Headquarters at Martlesham, we would very much like to hear from you.

This exciting project will bring together artwork created by local people, organisations and education establishments incorporating culture, beliefs and values from across our diverse communities.

You will need to possess excellent communication and organisational skills for the purpose of sourcing and displaying exhibits. This is a great opportunity for Art Students to gain exhibition experience.

To find out more, email us for further information:
specialsandvolunteers@suffolk.police.uk

Please note that volunteering for Suffolk Constabulary may expose you to information of a confidential, sensitive, or explicit nature. Successful applicants will be required to complete vetting processes.
