

Freedom of Information Request Reference N^o: FOI 000476-18

I write in connection with your request for information received by Norfolk and Suffolk Constabularies on the 31 January 2018 in which you sought access to the following information:

“Please could you provide the total number of crimes related to youth produced sexual imagery that have been recorded as Outcome 21 since January 2016.”

Response to your Request

The response provided below is correct as of 13 February 2018

Norfolk and Suffolk Constabularies have considered your request for information and our response is below.

A search has been completed of the Constabularies crime system for all offences recorded from 1 January 2016 – 31 January 2018, under the Home office codes 086/10 and 086/02:

- ‘Causing or inciting a child under 13 to engage in sexual activity’
- ‘Possession of an indecent or pseudo indecent photo of a child’
- ‘Take or to make or to distribute indecent photographs or pseudo photographs, of children’.

The Constabularies have then extracted those where the offender was aged 17 or under and that have an outcome of Type 21 (Further investigation resulting from crime report which could provide evidence sufficient to support formal action against the suspect is not in the public interest - police decision).

The total number of offences recorded where the suspect is aged 17 or under and the outcome is recorded as Type 21, is as follows:

Suffolk – 191

Norfolk – 421

Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this force's response to your questions should not be used for comparison purposes with any other response you may

receive.

Should you have any further queries concerning this request, please contact Clair Pack, FOI Decision Maker, quoting the reference number shown above.
