Response to your Request

The response provided below is correct as of 11th March 2019.

Norfolk and Suffolk Constabularies have considered your request and our response is below.

When responding to a request for information under the terms of the Freedom of Information Act, a public authority is not obliged to provide information if the authority estimates that the cost of the retrieval of the information requested would be in excess of £450 (equivalent to 18 hours work).

The costs criteria relates to a request in its entirety, which means that if we cannot retrieve all of the information requested within the costs limit, we are not obliged to retrieve *any* of the information requested.

The Norfolk and Suffolk Constabularies estimates that to retrieve all the information you have requested for both forces would exceed cost in excess of £450 (per force).

Research has been undertaken of recorded crimes of vehicle thefts. For the period requested this has returned 1,333 reports in Norfolk and 1,340 in Suffolk. Whilst we can electronically extract the district where the crime took place it is not possible to accurately extract the details of the town. This is due to the way in which the address fields have been completed by the officer inputting the crime record. Therefore to provide the details of the towns we would need to undertake a manual review of the crimes.

Due to the number of crimes, this would significantly exceed the appropriate limit for dealing with a Freedom of Information request, in terms of costs, and therefore Section 12(1) of the Freedom of Information Act applies.

Section 12(1) of the Freedom of Information Act states that a public authority is not obliged to:

“...comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit”.

The Freedom of Information (Appropriate Limit and Fees) Regulations 2004, defines the 'appropriate limit' for the Norfolk and Suffolk Constabularies as £450 for each Constabulary, and specifies that this sum equates to 18 hours work at a standard rate of £25 per hour.

In accordance with Section 17 of the Freedom of Information Act (2000), this serves as a Refusal Notice for your request.

Advice & assistance

Although excess cost removes Norfolk and Suffolk Constabularies obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relevant to your request, which was retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

Please see attached spreadsheets which include the district where the crime occurred. Please note, there are some crimes where the make/model has not been input into the relevant fields and again, these would require a manual review to see if this information is recorded within the offence freetext.
