Freedom of Information Request Reference N°: FOI 000955/19

I write in connection with your request for information received by the Norfolk and Suffolk Constabularies on the 8th March 2019 in which you sought access to the following information:

I would like to know how many prosecutions there have been relating to motorcycles breaching the exhaust noise restrictions by Norfolk / Suffolk Police over the past five years (January 2014 - end February 2019).

Please could you give the information in a table showing:

- what the offence was
- the date that the incident happened
- the action that was taken against the individual in question

Response to your Request

The response provided below is correct as of 14th March 2019.

Norfolk and Suffolk Constabularies have located the following information as relevant to your request.

Please note – the model is not always completed on the records, therefore where only a make has been recorded and it is not possible to confirm whether the vehicle is a motorcycle, these have been left in the tables below.
