

Freedom of Information Request Reference N°: FOI 001235-19

I write in connection with your request for information received by Suffolk Constabulary on the 28 March 2019 in which you sought access to the following information:

1. *“How many arrests have your police force made for the offences of a) supplying controlled drugs or b) possession with intent to supply controlled drugs in the last six calendar years (2013,2014,2015,2016,2017,2018)?*
2. *Please can say how old the person arrested was, their gender and the drugs alleged to have been involved. I am trying to establish the number of people under the age of 18 involved in drug sales.*

To do this I need total number of arrests, so I can work out how big a proportion are younger. I do not require any other identifying information. If you cannot give details of the gender then please still provide details of age.

Response to your Request

The response provided below is correct as of 1 April 2019

Suffolk Constabulary has considered your request for information and the response is below.

In relation to your request for information and in accordance with Section 17 of the Freedom of Information Act 2000 (FOIA), this response serves as a formal notification of refusal for your request. Suffolk Constabulary does not hold, for the purposes of FOIA, the information you require in a retrievable format.

It is estimated that to attempt to retrieve all of the information you require would take a considerable amount of retrieval time, which would exceed 18 hours. This would exceed the appropriate limit for dealing with Freedom of Information requests, in terms of costs and therefore Section 12(1) of the Freedom of Information Act 2000 applies.

The Constabulary is unable to provide arrest data prior to the introduction of the current crime and custody system Athena, which was introduced in October 2015. Arrest data prior to this time is held on a legacy system which is no longer available for bulk data extraction and consequently we would be required to manually review the data held to extract relevant arrest data.

Section 12(1) of the Freedom of Information Act 2000 states that a Public Authority is not obliged to: *“...comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.”* The Freedom of Information (Appropriate

Limit and Fees) Regulations, defines the 'appropriate limit' for the Suffolk Constabulary as £450 and specifies that this sum equates to 18 hours work at a standard rate of £25 per hour.

In accordance with Section 17(5) of the Freedom of Information Act 2000, this letter serves as a refusal notice for this part of your request.

By requesting *all* information your request is too broad to be complied with within the £450 limit imposed on Freedom of Information requests.

Although excess cost removes the Force's obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

The attached spreadsheet provides all main and secondary arrests for the following:

- Drugs – Concerned in supplying controlled drug
- Drugs – Possession with intent to supply – Class A
- Drugs – Possession with intent to supply – other than Class A
- Drugs – Supplying controlled Drug

Data is broken down by Age Group, gender, arrest description and year.
