Response to your Request

The response provided below is correct as of 11 April 2019

Suffolk Constabulary has considered your request for information and the response is below.

In relation to your request for information and in accordance with Section 17 of the Freedom of Information Act 2000 (FOIA), this response serves as a formal notification of refusal for your request. Suffolk Constabulary does not hold, for the purposes of FOIA, the information you require in a retrievable format.

It is estimated that to attempt to retrieve all of the information you require would take a considerable amount of retrieval time, which would exceed 18 hours. This would exceed the

appropriate limit for dealing with Freedom of Information requests, in terms of costs and therefore Section 12(1) of the Freedom of Information Act 2000 applies.

In relation to part 2 of your request, whilst we can provide a breakdown of the type of incident reported, i.e. "Public Safety", "ASB – Nuisance", we cannot provide details surrounding the type of animal involved. To retrieve this data would involve manually case reading over 3000 incidents and at 3 minutes per search this would take in excess of 150 hours to retrieve.

Section 12(1) of the Freedom of Information Act 2000 states that a Public Authority is not obliged to: "...comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit." The Freedom of Information (Appropriate Limit and Fees) Regulations, defines the 'appropriate limit' for the Suffolk Constabulary as £450 and specifies that this sum equates to 18 hours work at a standard rate of £25 per hour.

In accordance with Section 17(5) of the Freedom of Information Act 2000, this letter serves as a refusal notice for this part of your request.

By requesting *all* information your request is too broad to be complied with within the £450 limit imposed on Freedom of Information requests.

Although excess cost removes the Force's obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

The below table provides the number of incidents recorded with a "Wildlife" qualifier, broken down by the type of incident:

Incident Type	2014	2015	2016	2017	2018	Total
