Response to your Request

The response provided below is correct as of 15 May 2019

Suffolk Constabulary has considered your request for information and the response is below.

A search has been completed of the Constabulary's crime system for all domestic related homicides recorded for the 2011/12 – 2018/19 financial years. The total number of domestic homicides recorded is as follows:

Financial Year	Domestic Homicides
2011/12	1
2014/15	2
2015/16	1
2016/17	3
2017/18	1
2018/19	2

A search has been completed of those homicides where the suspect was aged 16 and over and the suspect/victim relationship is recorded as either son, son in law, step son, daughter, daughter in law or step daughter.

The Constabulary located no offences relevant to the request.

Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this force's response to your questions should not be used for comparison purposes with any other response you may receive.

Should you have any further queries concerning this request, please contact Clair Pack, FOI Decision Maker, quoting the reference number shown above.
