Reports of alleged impersonation of an individual by using photographs or their identity online eg facebook, tinder or an online chatroom

Response to your Request

The response provided below is correct as of 6th June, 2018

Suffolk Constabulary has considered your request for information and the response is below.

In answer to all parts of your request there are no direct laws regarding incidents of Catfishing, therefore we could not search any particular offence classifications so a free text search has been carried out using the word ‘catfish’.

There is one incident in 2017, all other years were a nil return.
