FREEDOM OF INFORMATION REQUEST

REQUEST NUMBER: FOI Request 002314-16

REQUEST DETAILS:

"We are involved in an EU wide study on examination of complaints of police unlawful use of force and detention. The study aims to identify the mechanisms for complaint and redress available to people who make allegations of misconduct.

I am currently looking into police forces' policies on retaining recordings, such as from body worn cameras, CCTV and cameras on police vehicles. I was able to find your Records Management Policy online, but I was unable to find your schedule of retention periods. Would be able to email me a copy or direct me to where I might find it?"
