

Freedom of Information Request Reference N°: FOI 002714-18

I write in connection with your request for information received by Norfolk and Suffolk Constabularies on the 30 July 2018 in which you sought access to the following information:

“In 2016 and 2017 respectively, how many reports have there been in which the words: 'zombie', 'werewolf', 'ghost', and 'alien' have appeared?”

Response to your Request

The response provided below is correct as of 8 August 2018

Norfolk and Suffolk Constabularies have considered your request for information and our response is below.

A search has been completed of the Constabularies call data for all incidents recorded where the words ghost; zombie; warewolf or alien appear in the freetext of the call.

The table below confirms all calls with one or more of the respective words within the text. The data provided does not clarify the reason the word appears in the call.

	Norfolk		Suffolk	
	2016	2017	2016	2017
Ghost	50	65	30	37
Zombie	28	22	11	20
Warewolf	1	0	0	1
Alien	18	13	20	18

Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this force's response to your questions should not be used for comparison purposes with any other response you may receive.

Should you have any further queries concerning this request, please contact Clair Pack, FOI Decision Maker, quoting the reference number shown above.
