## **Freedom of Information Request Reference N<sup>o</sup>: FOI 002859/20**

I write in connection with your request for information received by the Norfolk and Suffolk Constabularies on the 21<sup>st</sup> August 2020 in which you sought access to the following information:

I would like to submit a Freedom of Information request to obtain the following information about the witness statement forms (MG11) used by your constabulary:

Please supply (blank) copies of any witness statement forms that you have used since 01 January 2010.

Please include the 'contact details' section for each version of a witness statement.

Please indicate the time period when the witness statement(s) was/were in use.

### **Response to your Request**

The response provided below is correct as of 8<sup>th</sup> September 2020.

Norfolk and Suffolk Constabularies have considered your request and our response is below.

When responding to a request for information under the terms of the Freedom of Information Act, a public authority is not obliged to provide information if the authority estimates that the cost of the retrieval of the information requested would be in excess of £450 (equivalent to 18 hours work).

The costs criteria relates to a request in its entirety, which means that if we cannot retrieve all of the information requested within the costs limit, we are not obliged to retrieve *any* of the information requested.

The Norfolk and Suffolk Constabularies estimates that to retrieve all the information you have requested for both forces would exceed cost in excess of £450 (per force).

There have been various forms used since 2010, three of which have been identified and are attached. With regard to any other forms that have been in use prior to the 2013 form, it is possible that copies exist within the Constabularies but identifying any that still exist would be an enormous task. It would significantly exceed the cost limit to carry out the necessary research.

This would therefore exceed the appropriate limit for dealing with a Freedom of Information request, in terms of costs, and therefore Section 12(1) of the Freedom of Information Act applies.

Section 12(1) of the Freedom of Information Act states that a public authority is not obliged to:

*“...comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit”.*

The Freedom of Information (Appropriate Limit and Fees) Regulations 2004, defines the 'appropriate limit' for the Norfolk and Suffolk Constabularies as £450 for each Constabulary, and specifies that this sum equates to 18 hours work at a standard rate of £25 per hour.

In accordance with Section 17 of the Freedom of Information Act (2000), this serves as a Refusal Notice for your request.

#### Advice & assistance

Although excess cost removes Norfolk and Suffolk Constabularies obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relevant to your request, which was retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

Please see attached copies of MG11. These are the forms used in 2013, 2015 and the current form.

This response will be published on the Constabularies web-site under the Freedom of Information pages:-
