### Response to your Request

The response provided below is correct as of 25 September 2019

Suffolk Constabulary has considered your request for information and the response is below.

A freetext search has been completed of the Constabulary’s call data for all incidents recorded that contain the words ‘Ghost’ or ‘Haunted appears in the freetext of the incident report, for the 2017 – 2018 calendar years.

The table provided in the attached spreadsheet confirms the date of each call, the incident type, whether an officer attended at the time of the call, whether the call was subsequently crimed, the location of the call and the summary of the call.

Please note that the data relating to officer attendance is specifically in relation to attendance at the time of the call, an officer may attend at a later time mutually agreeable to both parties, but may not then be reflected in the incident summary.
