Freedom of Information Request Reference N°: FOI 003541-19

I write in connection with your request for information received by Suffolk Constabulary on the 2 October 2019 in which you sought access to the following information:

1. "Please state the number of offence records listed in your crime database that contain the following keywords:
 - a) Kik
 - b) Telegram
 - c) Wickr
 - d) Vkontakte
 - e) Snapchat
 - f) Reddit
 - g) Tik Tok
 - h) Tumblr

Please identify these by conducting a free text search of your crime database, and provide information for each of the last five financial years, and the current financial year to 02.10.19.

2. Please provide a breakdown of the kind of offences recorded that included these keywords, for each individual keyword.
3. Please provide an anonymised copy of free text report for each incident recorded."

Response to your Request

The response provided below is correct as of 10 October 2019

Suffolk Constabulary has considered your request for information and the response is below.

A freetext search has been completed of the Constabulary's crime systems for all offences recorded for the 2014/15 – 2018/19 financial years, to date, that contain one or more of the words specified within the request.

Please note that freetext searches are by their very nature unreliable, and consequently there may be additional relevant offences not included within the response as they did not include the specific words / phrases identified in the request.

1. The table provided below confirms the offences that have been located with the words listed in the request, including the offence category and financial year.

Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this force's response to your questions should not be used for comparison purposes with any other response you may receive.

Should you have any further queries concerning this request, please contact Clair Pack, FOI Decision Maker, quoting the reference number shown above.

Your Right to Request a Review of Decisions Made Under the Terms of the
Freedom of Information Act (2000).

If you are unhappy with how your request has been handled, or if you think the decision is incorrect, you have the right to ask Suffolk Constabulary to review their decision.

Ask Suffolk Constabulary to look at the decision again.

If you are dissatisfied with the decision made by Suffolk Constabulary under the Freedom of Information Act (2000), regarding access to information, you must notify Suffolk Constabulary that you are requesting a review within 40 working days of the date of its response to your Freedom of Information request. Requests for a review should be made in writing and addressed to:

*Freedom of Information Decision Maker
Information Management Department
Suffolk Constabulary
Police Headquarters
Martlesham Heath
Ipswich
Suffolk
IP5 3QS
OR
Email: information@suffolk.pnn.police.uk*

In all possible circumstances Suffolk Constabulary will aim to respond to your request for us to look at our decision again within 20 working days of receipt of your request for an internal review.

The Information Commissioner.

After lodging a request for a review with Suffolk Constabulary, if you are still dissatisfied with the decision, you can apply to the Information Commissioner for a decision on whether the request for information has been dealt with in accordance with the requirements of the Act.

For information on how to make application to the Information Commissioner please visit their website at www.ico.org.uk or contact them at the address shown below:
