

**Freedom of Information Request Reference N°: FOI 003586-18**

I write in connection with your request for information received by Suffolk Constabulary on the 2 October 2018 in which you sought access to the following information:

*“Please could you provide me with the number of reported number plate thefts for the following calendar years; 2015, 2016, 2017 and 2018 YTD”*

**Response to your Request**

The response provided below is correct as of 9 October 2018

Suffolk Constabulary has considered your request for information and the response is below.

A search has been completed of the Constabulary’s crime system for all ‘Theft from a Motor Vehicle’ offences recorded, which reference the theft of a number, index or registration plate. Each crime was then manually reviewed to ensure relevancy to the request.

The total number of offences recorded that relate to the theft of a number plate, is as follows:

Year	Theft From Motor Vehicle – Number plates
2015	104
2016	70
2017	81
2018	46

***Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this force's response to your questions should not be used for comparison purposes with any other response you may receive.***

Should you have any further queries concerning this request, please contact Clair Pack, FOI Decision Maker, quoting the reference number shown above.
