## **Freedom of Information Request Reference N°: FOI 003709-19**

I write in connection with your request for information received by Suffolk Constabulary on the 15 October 2019 in which you sought access to the following information:

*"I would like to request information under the Freedom of Information Act 2000. I will outline my query as precisely as possible. I would like to request the following information for the months of December 2018 or 2017 if possible.*

*How many people were stopped by the police and breathalysed?*

*How many of these tested positive?*

*How many incidents were recorded that related to the driver being under the influence of alcohol?*

*Data for other months of the year would also help me out."*

## **Response to your Request**

The response provided below is correct as of 29 October 2019

Suffolk Constabulary has considered your request for information and the response is below.

In relation to your request for information and in accordance with Section 17 of the Freedom of Information Act 2000 (FOIA), this response serves as a formal notification of refusal for your request. Suffolk Constabulary does not hold, for the purposes of FOIA, the information you require in a retrievable format.

It is estimated that to attempt to retrieve all of the information you require would take a considerable amount of retrieval time, which would exceed 18 hours. This would exceed the appropriate limit for dealing with Freedom of Information requests, in terms of costs and therefore Section 12(1) of the Freedom of Information Act 2000 applies.

In relation to the number of people stopped by police, this is not centrally recorded and would require us to manually review all Police Officers notebooks to establish if they have stopped and breathalysed a person during 2017 and 2018. This would be a very time-consuming task, considering the number of Officers within the force.

We are able to retrieve and provide the number of arrests for drink driving, and this is detailed for you at the end of the response.

Section 12(1) of the Freedom of Information Act 2000 states that a Public Authority is not obliged to: *"...comply with a request for information if the authority estimates that the cost of complying*

*with the request would exceed the appropriate limit.”* The Freedom of Information (Appropriate Limit and Fees) Regulations, defines the ‘appropriate limit’ for the Suffolk Constabulary as £450 and specifies that this sum equates to 18 hours work at a standard rate of £25 per hour.

In accordance with Section 17(5) of the Freedom of Information Act 2000, this letter serves as a refusal notice for this part of your request.

By requesting *all* information your request is too broad to be complied with within the £450 limit imposed on Freedom of Information requests.

Although excess cost removes the Force’s obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

The below table provides the number of arrests related to drink and drug driving for the calendar years 2017 and 2018, broken down by month.
