

## **Freedom of Information Request Reference N°: FOI 004097-19**

I write in connection with your request for information received by Suffolk and Norfolk Constabularies on 12 November 2019 which you sought access to the following information:

*"I am looking for information on speed limit offences (classification 816) for 2017 and 2018 - with the figures for 2019 to date - for your constabulary.*

*Specifically, I am seeking a breakdown of the speed travelled at the time of the offence, as well as the speed limit in the area in which the offence took place. This would build on the October 2019 report "Fixed Penalty Notices and other outcomes for motoring offences" which does not contain information on speeds travelled or speed limits where the offence was noted.*

*Please could you present this information in an Excel document using the following columns:*

- Calendar year*
- Month of offence*
- Police Force Area*
- Detection type (camera / non-camera detected)*
- The speed travelled at the time of the offence*
- The speed limit in the zone the offence took place*
- Outcome (retraining, fine, court action etc.)"*

## **Response to your Request**

The response provided below is correct as of 20 November 2019

Suffolk and Norfolk Constabularies have considered your request for information and the response is below.

A search has been completed of the Constabularies Central Ticket Office Database for all speeding offences recorded from 2017 to date.

The information provided within the attached spreadsheet confirms the total number of offences recorded, including the offence date, offence description, speed, camera description and disposal method.

Should you have any further queries concerning this request, please contact Clair Pack, FOI Decision Maker, quoting the reference number shown above.
