

Freedom of Information Request Reference N°: FOI 004233-18

I write in connection with your request for information received by Suffolk Constabulary on the 15 November 2018 in which you sought access to the following information:

"I would be grateful if you could tell me how many people have been charged with drug driving (exceeding the prescribed limit) within the County of Suffolk (area policed by the Suffolk constabulary) since March 2015, broken down by age, gender and race/ethnicity."

Response to your Request

The response provided below is correct as of 20 November 2018

Suffolk Constabulary has considered your request for information and the response is below.

A search has been completed of the Constabulary's crime and custody system Athena, for all drug driving arrests made. Please note that as a result in a change of custody recording databases in October 2015, legacy data is no longer available for bulk data extraction. The data has therefore been extracted from 19 October 2015 – 30 October 2018.

Of those persons arrested, the total number subsequently charged is provided in the table on the attached spreadsheet, by gender, age and ethnicity.

Should you have any further queries concerning this request, please contact Clair Pack, FOI Decision Maker, quoting the reference number shown above.
