## FREEDOM OF INFORMATION REQUEST

**REQUEST NUMBER:**     **FOI Request 004252-17**

**REQUEST DETAILS:**

*\*Freedom of information request for the police action plan used to support the planning application for the beach huts\**

**RESPONSE:**

Suffolk Constabulary has considered your request for information and our response is below.

*This response is correct as of 14 March 2017*

Suffolk Constabulary holds no information in relation to your request for a copy of a police action plan.

In relation to planning applications, Suffolk Constabulary would not provide a personal view on supporting a planning application. The District Council planning department may approach the Constabulary for their views from a crime and disorder perspective, and this would be offered to them, however no police action plan would be issued by the Constabulary.

To assist you however, we can confirm that in the past the Designing Out Crime Officer discussed beach hut security with Waveney District Council and the attached guidance note regarding beach huts was provided. Please note this would have only been advice.
