The response provided below is correct as of 28 November 2019

Suffolk Constabulary has considered your request for information and the response is below.

A search has been completed via our crime management system Athena for all crimes that have occurred at TK Maxx Car Park, 16 Rous Road, Newmarket.

Since January 2017 to date, one crime has taken place during October 2019 that involved criminal damage to a motor vehicle.

Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this force's response to your questions should not be used for comparison purposes with any other response you may receive.

Should you have any further queries concerning this request, please contact Clair Pack, FOI Decision Maker, quoting the reference number shown above.
