

**Freedom of Information Request Reference N°: FOI 004496-19**

I write in connection with your request for information received by Suffolk Constabulary on the 12 December 2019 in which you sought access to the following information:

*“Please could you tell me the number sexual assault, harassment, or rape cases, referred to you by universities over the past five academic years.*

*If you can break this down by the number of cases per university per year, then please do. If not, I’m happy to receive the overall number per academic year.*

*For clarity, I’m requesting figures for September-September in:*

*2018-19*

*2017-18*

*2016-17*

*2015-16*

*2014-15*

*If you have figures so far for the 2019-20 academic year then I would also like those.”*

**Response to your Request**

The response provided below is correct as of 27 December 2019

Suffolk Constabulary has considered your request for information and the response is below.

A search has been completed of the Constabulary’s crime system for all sexual assault, rape and harassment offences recorded with a premise type of ‘College/University’ or the premise name contains the word ‘University’. Each offence was then reviewed to ensure it related specifically to the university.

Please note that Suffolk has one university in its force area, which is the University of Suffolk in Ipswich.
