

## Freedom of Information Request Reference N<sup>o</sup>: FOI 005169-17

I write in connection with your request for information received by the Norfolk and Suffolk Constabulary on the 02 June 2017 in which you sought access to the following information:

*"I would like to be told of any payments the police force has made to a company called Sarantium Solutions in the past four years  
I would also like to be told whether the company has provided any services to the force – even if funding came from elsewhere – over the same period  
In each instance where the company provided services – funded by the police force or from outside the force's budget - I would like to know:  
When the payment was made  
What the payment was in pounds  
If funding came from elsewhere, where did it come from and how much was it  
What the service provided was  
Why exterior service providers were required  
I would also like any available documentation on the services provided "*
