We've had reports of Suffolk residents receiving suspicious voicemails from 'HMRC' about lawsuits. This is a scam, HMRC will not contact you in this way. Do not comply! Whilst for some it may seem like a clear scam, make sure you talk with Friends, Family and Neighbours who might not be so scam aware!

For more advice on recognising HMRC scams, and details how to report them, visit the HMRC website at www.gov.uk and search for Phishing and Scams. If you are not on the internet information can be obtained directly from HMRC or alternatively www.actionfraud.police.uk you can call them on 0300 1232040 for further information about Fraud and scams in general.
