Responding to issues in your community

There were 128 reported crimes, for June, compared with 149 reported for May.

The breakdown is as follows:

	May	June
Beccles	94	76
Worlingham	0	3
Wainford	0	3
Bungay	61	46

The Town Centre parking issues addressed by issuing 13 FPN's during this period.

Speed checks have been carried out in the areas of Ellough Rd. London Rd. Beccles, Lowestoft Rd Worlingham, Flixton Rd Bungay.

Out of 726 vehicles monitored 7 were over the speed limit and will be dealt with accordingly.

Making the community safer

PCSO Deborah Osborne and PCSO Gary Wallace attended the Wellbeing event in Beccles at Blyburgate hall with Pc 1330 Yeldham the Community Engagement Officer "CEO" and a member of the Special Constabulary Sc Jed Levett, All were able to offer advice on a variety of crime prevention and related issues

Pcso Deborah Osborne and Pc 1330 Yeldham went to the Waveney Centre Beccles With the four Towns Crime Prevention Team for the Breakfast event to offer support and assistance to those who attended.

Pcso Deborah Osborne and Pc 1330 Yeldham did some "Street Meets" on the 21st June which was Suffolk Day and were in Beccles and Bungay, meeting several residents and visitors to the area and speaking with them about community issues.

SNT continue to work with our partner agencies to reduce demand also highlight vulnerable communities trying to get support when required.

Preventing, Reducing and Solving Crime and ASB

Street Meets

With the Re-introduction of the "Street Meets" we hope to be in the local area once a month in addition to normal patrol so that you know where we will be and when. So if you have police related queries or require advice you can come and have a chat, we will let you know on the newsletter when the next date is, starting from August 2018. We are lucky now to have a Facebook page as well as a Twitter page which will give you Policing information about Lowestoft, Beccles and Bungay and surrounding areas. Search for Lowestoft Police on facebook for more information.

With everyone outdoors enjoying the good weather here are just a few considerations with regards to security and Crime Prevention:

The security of your outbuildings, such as sheds and garages, often takes second place to securing your home. However, sheds and garages can contain high value items such as bicycles, gardening equipment and tools. Think about what you store in your outbuildings and add up the value – how much would you lose if your shed or garage was broken into and how inconvenient would that be? A few simple, relatively cheap measures will help secure outbuildings and deter would-be thieves.

Hints and tips for securing your outbuildings:

- Avoid storing valuable items like power tools and golf clubs in your shed. These items should be kept inside your home or a secure garage.
- Remember to lock your shed or garage after use.
- Secure shed doors by fitting a strong hasp and staple (also called a 'padbar'). Secure this with coach bolts and lock the hasp over the staple with a closed shackle padlock.
- Secure shed door hinges with coach bolts or non-returnable screws.
- Further protect your shed with a 'shed bar'. This and other approved security products will improve the security of your shed or garage and can be found at www.soldsecure.com or www.securedbydesign.com
- Replace any rotten door or window frames
- Replace broken glass panes or use perspex or polycarbonate as a more secure alternative for shed and garage windows. Use a window lock along with a strong grille or wire mesh. Use curtains or netting so people cannot see inside. Screw windows shut if you do not use them.
- Fit a good quality battery operated alarm to your outbuilding.
- Up-and-over garage doors can be secured by putting padlocks through the inside runners or fitting padlocks with a hasp and staple on either side of the door.
- Fit British Standard approved locks to all your external garage doors including integral doors which access your house.
- If you have a household alarm fitted, consider extending the system to cover your garage.
- Chain items such as bicycles, ladders and lawnmowers to a strong anchor point or to each other and use a closed shackle padlock.
- Property mark items such as drills and lawnmowers. Items can be postcoded by etching, painting, stencilling, etc.
- Register your property at www.immobilise.com this is a free web based property registration service supported by Norfolk & Suffolk Police.
- Make sure your household insurance covers your shed or garage.
