Making the community safer

SNT continue to work with other agencies to reduce demand and to get the right support people need to help achieve this.

PC Morse was attending a disturbance, after an RTC, which resulted in the following: The offender was found to be a disqualified driver, who also had no insurance ,and was additionally charged with going equipped to carry out a burglary. After admitting to an unrelated burglary, the offender was locked up,over the Christmas period.

On News Year Eve a male was searched, following suspicious behavior, resulting in him being arrested him for possession of drugs with intent to supply.

In addition two people have been dealt with for the importation of offensive weapons.

Beccles/Bungay SNT would like to wish you all a happy and safe 2018.

Preventing, Reducing and Solving Crime and ASB

SNT advise anyone with a new bike to buy a sturdy lock and also security mark your cybcle with your post code. Theft of bikes, and from vehicles ,continues to be a county wide issue. SNT advise the following:

Security Mark your Tools

If you take the time to security mark your tools, it will protect them against theft and assist the Police to return your property to you if it is stolen and recovered. There are a number of ways of security marking your items, these include:

- Ultra violet (UV) or invisible marking - UV pens put an invisible mark on your property that can only be seen under UV light.
- Engraving or etching - Both methods are suitable for many hard surfaces and can be done using an electric engraving tool or hand engraver.
- Forensic marking solutions - These are harmless solutions that contain a unique forensic code (like a fingerprint), making it easy to identify marked items. Firms that provide these marking solutions include:
 - Smartwater – www.smartwater.com
 - Selectadna – www.selectadna.co.uk
 - Applied DNA Sciences - www.adnas.com

Keep an Inventory

We also recommend that you take colour photographs of any valuable or unusual items, paying special attention to distinguishing marks, initials or crests. Photographs should be taken against a plain background and include a ruler to give an idea of size. This assists the Police in press releases and social media to help recover the items.

Make a record of Serial and Model numbers plus anything else that can help identify your tools.

Immobilise

<https://www.immobilise.com/>

Immobilise is the world's largest FREE register of possession ownership details and together with its sister sites the Police's NMPR (www.thenmpr.com) and CheckMEND (www.checkmend.com), forms a very effective tool in helping to reduce crime and repatriate recovered personal property to its righ9ul owners.

Immobilise can be used by members of the public and businesses to register their valued possessions or company assets, and exclusive to Immobilise all account holders registered items and ownership details are viewable on the Police national property database the NMPR (www.thenmpr.com). This online checking service is used by all UK Police forces to trace owners of lost and stolen property. In addition Immobilise is checked daily by a huge range of recovery agencies and lost property offices.
