Parking issues Pound Road and town centre Beccles/Bungay

Speeding highlighted in Worlingham

We did...

28 Fixed Penalty Notices issued. Verbal warnings and advice given to motorists to prevent obstruction.

SNT Officers conducted speed checks in two locations. Out of 239 vehicles monitored 3 were over the national guidelines the drivers will receive advisory letters. A reduction on previous months.

Inspector Liz Casey

Responding to issues in your community

There were 83 reported crimes, for October, compared with 67 for the same period in 2016.

Following complaints of irresponsible parking during the morning and afternoon School Run. Officers attended to keep the traffic flowing and more importantly the children and parents safe. Unfortunately two Fixed Penalty Notices had to be issued.

Making the community safer

'We have spoken to you a lot about the changing demands we are facing in policing our communities and keeping you safe. In order to keep you updated and to help you understand the demands that we are dealing with on a regular basis, we have developed a focused section as part of this newsletter highlighting the demands at both your SNT and force level across a typical week. This information provides you with the context in which your local teams are currently working. We hope that you find this helpful and informative.' ACC Kearton, Local Policing.

Preventing, reducing and solving crime and ASB

Following an increase in the theft of Catalytic Converters from vehicles a Crime Prevention Initiative programme was organised to security mark Catalytic Converters. A total of 40 vehicles attended and were checked with only 17 requiring to be security marked. Grateful thanks go to Alan and Darren Twitchett of Premiere Garage Beccles for the use of the facilities and assistance by staff members.

A complaint of potential speeding in St Georges Road Beccles was highlighted by a resident in August. A Speed detection recorder was installed for the period 4th to 11th October. 12474 vehicles were recorded with an average speed of 23mph. 1.5% were over the NPCC guidelines of 35mph.

A 'Scam' awareness day was conducted by SNT PCSO in conjunction with Suffolk Trading Standards at Nat West Bank Beccles to promote and highlight the need to protect all financial transactions and be wary of unwanted or withheld number calls.

Following on from previous messages, there has been a marked increase in cycle theft we continue to remind the public to be secure their pedal cycles, at all times, with a substantial lock, a future cycle coding initiative is to be planned for the Christmas/New Year period.

We continue to encourage the public with any information to please report on 101.
