Responding to issues in your community

Reports of anti-social behaviour were reported by residents in Astor Court, Brandon. Officers gathered information and along with housing providers two CPNWL's were issued to a couple of local residents in relation to their behaviour. Result being if it continues they will be served with a full notice and further issues will result in arrest. Further reports have been received of anti-social behaviour and drugs in the area of the Orchard, Brandon. Patrols are to be increased and Brandon Parish Council are to be approached to help solve the problem. In the interim patrols will be increased and persons found committing offences will be dealt with accordingly.

Making the community safer

Halloween and Bonfire Night came and went with very few issues, local officers were out on patrol both nights. They even managed to engage with some of the youngsters handing out sweets to the scary little monsters (photos on twitter).

I would like to encourage all members of the public to report any crime or incident of anti-social behaviour, it may seem trivial but each piece of information received helps to build the bigger picture and allows us to focus our attention on it.

If you require more detailed information on crime & anti-soical figures they are available from the website www.police.uk.
