# FURTHER INFORMATION

Now that the new model of delivering your local policing is 3 months old we wanted to remind you of the many ways you can get in touch with us. Most importantly, if it's an emergency always ring 999. However, if it's not an emergency but you wish to report a crime or a concern for safety then use 101. If you simply wish to contact your local team, perhaps to tell us about Anti-Social Behaviour (ASB) or a series of crimes occurring in your area, or to tell us about your concerns about how the police have handled a local community matter, why not in the first instance speak with your local Inspector and discuss the matter with them? Your local Inspector will be able to review the matter and make an assessment about how well we did, reporting back to you with their findings. Your local community inspector is Matt Dee. If you want to speak to your local officer and it's not urgent then an email will be quickest means to get in contact, and if you need a reply than a member of the team will get back to you within 24hrs. Remember, the demand on 101 is very high and if you don't need to report a crime we would encourage the use of email. Finally, our brand new and interactive website will be on-line in the Autumn which will give you direct access to your teams in a fast, secure format, as well as providing loads of really useful information.

## STREET BEGGING IN BURY ST EDMUNDS - YOUR KINDNESS COULD KILL

Police are working with agencies to ensure that individuals have access to housing, health care and appropriate benefits. Unfortunately, there is a core of individuals who refuse to engage with services and continue to aggressively beg. Two arrests have been made this month. The money the public give to people who are begging is likely to be used to buy the drugs and alcohol that could kill them. Most people sleeping rough do not beg. Most people begging do not sleep rough. If you want to help, put your spare change where it counts. Give money responsibly and support local charities instead. The majority of people who are begging in Bury St Edmunds are not homeless.

## STANTON WARD

Ongoing work with housing providers and partner agencies to tackle anti social behaviour issues and crime within the village and surrounding area. The anti social activity has focused on a small number of families and has included criminal damage. All reports of crime and ASB are being investigated and we are working with the well motivated community to address the root causes. Police have organised a Crime Reduction Drop In which is being held at Stanton Village Hall from 9am to 1pm on Wednesday 6th July. Everyone is welcome to learn how they can help prevent themselves becoming a victim of crime. A Male from Bury St Edmunds has been arrested and charged for the Stanton Manor Burglary that occurred in early June. He is currently on bail with conditions not to go to Stanton. There has been no further instances of Burglary since this individual was arrested.

There is an ongoing series of linked Burglaries in these wards this year. The offenders are targeting insecure homes overnight and taking cash, electricals and jewelery. Please be extra vigilant in these areas and report any suspicious behavior to the Police. Also, do not make it easy for the criminals and make sure you lock your house securely at night. Two males from Bury St Edmunds have been arrested and are currently on bail for a Burglary linked to this series.

## IXWORTH WARD

There has been increased calls from the public around a group of youths causing Anti Social Behaviour in and around the Ixworth Village Hall. Work is ongoing at identifying these youths. If you witness any acts of Anti Social Behaviour (such as climbing on roofs, vandalism, inconsiderate riding of mopeds etc) then please call in on 999. Those responsible and believed to be local to Ixworth so we would ask parents to make sure they know what their children are up to when they go out with their friends.
