PRIORITY SETTING

Your local Safer Neighbourhood Team works to address local concerns and issues in partnership with other agencies. If you would like to put forward a local issue of concern to be considered as an SNT priority, please email SNTBuryStEdmunds@suffolk.pnn.police.uk

GET IN TOUCH

We wanted to remind you of the many ways you can get in touch with us. Most importantly, if it's an emergency always ring 999. However, if it's not an emergency but you wish to report a crime or a concern for safety then use 101. If you simply wish to contact your local team, perhaps to tell us about Anti-Social Behaviour (ASB) or a series of crimes occurring in your area, or to tell us about your concerns about how the police have handled a local community matter, why not in the first instance speak with your local Sergeant and discuss the matter with them? Your local Sergeants will be able to review the matter and make an assessment about how well we did, reporting back to you with their findings. Your local community Sergeants are Anna Whybro and Lisa Vaughan. If you want to speak to your local officer and it's not urgent then an email will be quickest means to get in contact, and if you need a reply than a member of the team will get back to you within 24hrs. Remember, the demand on 101 is very high and if you don't need to report a crime we would encourage the use of email.
