## BURY ST EDMUNDS

### RESPOND

Between 28th July and 3rd August three burglaries have been reported in the area of The Coppice and Conyers Way, Great Barton. Offenders have forced entry through a window, and stolen jewelry, cash, electrical equipment and at one premises a Citroen C3 parked on the driveway. CID are investigating what appears to be a linked series of crimes. SNT have been conducting foot patrols and mobile patrols in the area offering reassurance and crime prevention advice.

### MAKING YOUR COMMUNITY SAFER

Over the past month the SNT has responded to your concerns and calls in relation to the amount of rough sleepers and associated anti-social behaviour that has been reported. We have identified all those that are sleeping rough and begging and by working with partners we have been able to signpost these individuals to services that can assist them, and have already seen several of these persons re-housed. This issue will remain as a priority to us over the next few months.

The SNT have held a cycle marking event at the West Suffolk Hospital, and given security / stay safe presentations to a number of more vulnerable members of our community.

### PREVENTING, REDUCING AND SOLVING CRIME AND ASB

To tackle the crimes we have seen this month, please ensure you secure your house, sheds and cars when left unattended- don't let the opportunist thief take advantage of your property. Look out for your neighbours- report any suspicious activity via the website or crime stoppers and consider the following:

- \*Install alarms and security lights
- \*Ask a neighbour to collect your post if you are going away
- \*Use timer lights inside your property
- \* Report any suspicious activity
- \*Do not leave valuables on display
- \*Lock away tools and gardening equipment
