14th December- Lake Avenue 1:00pm till 2:00pm  
15th December - Outside Horringer Village Hall 10:00 am -11:00 am

### Making the community safer

This years Christmas Fayre in Bury St Edmunds went very well and as usual was well attended. This year was the first time that we have had a police pod at the Fayre which was located close to the cathedral. provided a great location for meeting with people who were passing. We handed out nearly 1,000 purse bells during the four days as well as other 'freebies' and the location also gave us a great opportunity for issuing some valuable crime prevention advice on a range of issues.

We have had a number of burglaries reported in the town and also in the villages within our area. Please take some time to review your home security by looking at the link below :-

### Preventing, reducing and solving crime and ASB

We have had an increase in issues with begging being reported within the town centre. Some of these can be aggressive and make people feel intimidated when they see them. SNT officers have served Community Protection Notices on these people to prevent them carrying on this activity. If you wish to make a donation please do so to the Bury Drop In who will use the money to provide food and other items to those in need.
