Responding to issues in your community

The Bury St Edmunds Safer Neighbourhood Team have been involved in several warrants conducted under the misuse of drugs act which have resulted in people being arrested. We would encourage anyone who suspects drug use in their neighbourhood contact us so that we can look into these matters and help to improve the quality of life where you live.

Making the community safer

Police connect - we are always looking for more people to sign up to Police connect which is a free messenger service for those who cannot access social media, which means you can receive texts messages or emails with up to date information about policing in your area. You can go online on this link <https://www.suffolk.police.uk/services/police-connect> and register or request a form from us via CEOburystedmunds@suffolk.pnn.police.uk.

Preventing, reducing and solving crime and ASB

We will have two new Police Community Support Officers joining the Bury team in February. Mark Ellis who is retiring from being a PC after over 30 years is becoming a town council funded PCSO. Mark will be joined by Jessica Cullen-Mcloud who will be the second funded PCSO. These officers will be working to deal with anti-social behaviour and car parking issues within the Bury area so watch out for them on patrol.
