Community Protection Notice served on residents stopping them having visitors to the property. Anti social behaviour has now ceased.

Responding to issues in your community

PCSO Chivers responded to reports of drug dealing taking place in a residential area by carrying out patrols in the area. He identified a suspect who was stopped and found to be in possession of a quantity of controlled drugs.

PCSO Howell was approached by a resident living near to a school regarding parking problems at the end of the school day. She liased with the school and identified an area that was more suitable to park. The school advised parents to park in the alternative area which has decreased the parking issue for the resident.

Making the community safer
