### Responding to issues in your community

Bury St Edmunds officers continue to respond to issues involving vehicles being driven inconsiderately in Bury St Edmunds causing noise and a danger to the public. Extra patrols are being carried out in the areas concerned and to date a number of section 59 notices have been issued which could result in the confiscation of vehicles.

### Making the community safer

PCSO CROMPTON gave a talk regarding personal safety at The southgate centre to give information to local people on how they can stay safe in the area. PC Fox will be giving another talk in Barnham regarding the same subject to a group this month. Bury SNT are carrying out extra patrols in Hopton following a robbery at the Post Office on 14th September 2018. If you have any information regarding this please contact us on 101.

### Preventing, reducing and solving crime and ASB

The annual knife crime/weapons amnesty Operation is running from 18th to 24th September. There is a yellow knife bin located outside Bury St Edmunds Police Station. We would encourage anyone who has any items at home that they would like to dispose of safely to do so.
