BURY ST EDMUNDS

RESPOND

The SNT have been working with Roads Policing and Response teams to combat the anti-social use of vehicles in the area of Moreton Hall, and associated littering, damage to the road furniture and the setting off of fireworks, all of which has had a detrimental effect to the local residents. The core group of vehicle users and owners have been identified and have been issued with Community Protection Warning Notices, prohibiting them from various activities, including congregating in the effected area. This new tact has had the desired effect and incidents over the past 4 weeks have ceased.

INSPECTOR MATT DEE

MAKING YOUR COMMUNITY SAFER

The Bury St Edmunds Christmas Fayre will take place between 23rd and 26th November. Suffolk Constabulary have been working closely with the event organisers at the borough council to support our communities and make this a safe and enjoyable event. While there is no evidence of any specific threat, like any other large events across the UK, you may see a range of physical security measures at this year's Christmas Fayre as a precaution, including a variety of bollards and barrier systems that have been approved and meet national standards. We'll have uniformed (armed and unarmed), plain clothed patrols and police dogs on site, who will be working hard to keep everyone safe and make sure they have a great time.

FUTURE EVENTS

The future events that your SNT are involved in, and will give you an opportunity to chat to them to raise your concerns are:

11th November - Special constabulary recruitment drop in @ Atheneum, BSE 10am - 4pm

16th November - SNT will be at the BSE Christmas lights switch on 3pm - 8pm

1st December - PCSO Bixley & Dodd will be at the Apex, BSE at an info event for the Elderly

5th December - PC De Jongh will be at Bardwell Parish Council meeting

PREVENTING, REDUCING AND SOLVING CRIME AND ASB

A Stanton man has been jailed for six years for a prolific series of burglaries in West Suffolk. Stephen Mainwaring was initially charged with 7 offences of burglary, a firearms offence and theft of motor vehicles, and then went on to admit a further 30 offences of burglary in the villages of Stanton, Ixworth, Bardwell, Great Barton, Norton and surrounding villages. The crimes were committed between February 2015 and August 2017.

'We have spoken to you a lot about the changing demands we are facing in policing our communities and keeping you safe. In order to keep you updated and to help you understand the demands that we are dealing with on a regular basis, we have developed a focused section as part of this newsletter highlighting the demands at both your SNT and force level across a typical week. This information provides you with the context in which your local teams are currently working. We hope that you find this helpful and informative.' ACC Kearton, Local Policing.
