FUTURE EVENTS

During December we will be continuing our crime prevention public meetings in the Eye area.

1/12/16 - PCSO Long will be attending Eye Primary School to join the "Junior Road Safety Officers". He will be using a hand held speed gun to stop anyone driving at excess speed, which will then allow the pupils to speak directly with the drivers. A reporter from ITV will be present.

Crime prevention roadshow hosted by Suffolk Police Safer Communities Officer Nick Ray at:

Monday 12th December Framlingham Library - 10:00 to 12:00, Wednesday 14th December Halesworth Library - 0930 to 1200, Friday 16th December Eye Library - 0930 to 13:00 Stradbroke Library - 1400 to 1630

FURTHER INFORMATION

During November Pc Lee-Andrews-Pearce joined the team and will be working from our Eye Safer Neighbourhood office at the Hartesmere Hospital.

The Crime Reduction Officers visited the area to offer crime reduction advice during November to residents following a rise in burglaries to sheds, garages and outbuildings around the parishes. Surgeries were held at:

Wednesday 23rd Eye Library, 0930 to 1600

Friday 25th Framlingham Library, 0930 to 1600

Saturday 26th Debenham Library, 0930 to 1330

Monday 28th Stradbroke Library, 1230 to 1600

Wednesday 30th Halesworth Library, 0930 to 1600

Further crime reduction advice in response to the burglaries was publicised via the Police Connect system, with messages going out to subscribers on how to protect and register property. Neighbourhood Watch groups were also informed and advice on crime reduction was given to residents via the Suffolk Constabulary website.

Suffolk Constabulary hosted a public meeting at Eye Community Centre on Thursday 17th November featuring Chief Constable Gareth Wilson, Inspector Mark Jackson and Police Crime Commissioner Tim Passmore. The meeting provided the public with information on the current Policing model, and updates on current priorities. Contact details were also given out on the local team and point of contacts.

Following a call from a member of public to report some erratic driving along the A140, officers were dispatched and enquiries revealed the vehicle to be stolen. The male was subsequently seen and stopped. He was also in possession of a controlled substance and was arrested for both offences.

Crime Protection Advice

Don't get caught out this Christmas...

Avoid leaving presents and valuables on view – it's a temptation for opportunist thieves.

If you know you are going to be out during the hours of darkness take steps to make your home appear occupied. Leave lights on or set lights on a timer to go on and off as your normal routine.

Avoid keeping large amounts of cash at home.

If you are going away ask neighbours to help. Ask them to close curtains, remove post and put the bins out.

Never leave keys in the locks. Keep your keys in a safe place out of view and away from your doors.

Dispose of gift packaging carefully. Make sure you only put your rubbish out just before collection and do your best to fold boxes to avoid advertising your new purchases.

Never leave spare keys hidden outside or hanging inside the letterbox as they will most likely be found.

Raising Community concerns

There are a number of ways you can get in touch with Suffolk Constabulary depending on the urgency and type of request.

By telephone in an emergency always dial 999. Dialing 999 is a must if you are facing an incident or crime right now and you need police help immediately.

The Suffolk Constabulary non-emergency number 101 is the number to call when you want to contact police when it is less urgent than 999.

The non-emergency number is available 24 hours a day, seven days a week.

Alternatively you can report a crime online.

If you want to speak to your local Safer Neighbourhood Team and it's not urgent using email will be quickest and if you want any member of the team they will get back to you within 24hrs. The SNT email address is: eye.snt@suffolk.pnn.police.uk

If you have an issue with how the police have handled a local community matter, such as dealing with an incident of ASB, or if you have an issue relating to something like a series of crimes occurring in your area, we advise that you speak to your locality Inspector Mark Jackson, to highlight your concerns. Inspector Jackson will be able to review the circumstances of the incident/matter and our response and make an assessment about how it is handled.

If the nature of your concern is more serious, we have a formal complaints process and details for this can be found at:

<http://www.suffolk.police.uk/contactus/complaintsandcompliments.aspx>.
