Vehicles travelling at excess speed through the villages of Wetheringsett & Stuston

### We did...

SNT attended the villages to conduct speed monitoring and stopped drivers to warn them about the dangers of speeding.

### Responding to issues in your community

A meeting was held this month at Eye Town Hall between representatives of the town and local parish councils and the SNT. A number of issues were raised; mostly concerns about changes to policing & the impact upon rural communities. Inspector Mark Jackson & Sgt. Mark Beresford were present to explain why changes have been necessary.

### Making the community safer

Addresses were visited this month in Fressingfield following a number of burglary offences in and around the locality earlier this year. Crime prevention advice was offered and residents were reminded (for re-assurance) that the village does have a Neighbourhood Watch Scheme operating.

### Preventing, reducing and solving crime and ASB

The SNT this month resumed a project previously carried out working with the residents of Thorndon. Local peoples' complaints about ASB had recurred and, in response, relevant addresses were visited. Please report issues of ASB as and when they occur.

### This SNT covers the following parishes
