## Eye

### You said...

Vehicles persistently over staying 1 hour time limit in the parking bays in Eye.

### We did...

Officers have issued fixed penalty notices and sent warning letters to owners of offending vehicles.

### Responding to issues in your community

Local residents have reported the anti social use of vehicles in the Occold village hall car park, officers have been working with the community to help resolve this issue.

Officers are still in communication with landowners of Eye Airfield to assist in the removal of an unauthorised encampment.

### Making the community safer

Speeding remains a hot topic. Requests for Speed Data Recorder locations have been submitted and we hope to see the devices out over the summer. Officers will be out over the summer using hand held devices and hope to visit most villages. If you are concerned about speeding please contact your local team.

### Preventing, reducing and solving crime and ASB

Officers attended an incident where a sheep had been killed by a dog off the lead. Residents are reminded to keep their dogs on leads especially around livestock.

The team are currently working with external agencies to help make more elderly people aware of their home security.
