Officers have issued fixed penalty notices and sent warning letters to owners of offending vehicles.

Responding to issues in your community

Data from two speed data recorders have now been collated and enforcement from the safety camera team is now going to take place in one of the locations following the results.

A total of 121 antisocial behaviour letters have been sent to keepers of vehicles identified as participating in vehicle related ASB in the area of Eye.

Making the community safer

Following reports related to minor thefts and ASB in the village of Hoxne, a suspect has now been identified and interviewed by local officers.

Local officers are working closely with local landowners and businesses to ensure that there is a reduction in vehicle ASB in the Eye area following ongoing complaints from residents.

Preventing, reducing and solving crime and ASB

Following the launch of a "No Cold Calling Zone" in Debenham, there has been a significant reduction in cold callers being reported to the police.

A nuisance caller has now been issued with a full community protection notice following persistent misuse of the 999 emergency number.

Following a recent burglary at the Town Hall in Eye, stolen property has been returned to the owner and the suspect has been charged for the offence.
