FURTHER INFORMATION

Sergeant Mark Woodmansee has joined our team and will be working with Sergeant Mark Beresford within the safer neighbourhood team.

A Police investigation into a neighbour dispute in the village of Wilby, has resulted in the courts issuing an individual with a fine and a twelve month restraining order. The victim is happy with the outcome of this after Police collated detailed evidence.

After Police received information regarding about an upcoming planned protest on the Mid Suffolk Business Park, Police attended the local business and prevented any breaches of public order. Working with the local business, the police were able to create a plan on how to deal with the situation resulting in no arrests being made, and the event ending peacefully.

Local Officers have been running school inputs in relation to the time of the year, Halloween, the darker nights and road safety at night ensuring young people are educated on visibility. The Halloween period passed without any issues reported to police.

Whilst conducting a routine speed check in Fressingfield, Officers stopped a vehicle for excessive speed and found large quantities of controlled substances and large quantities of cash as well. This resulted in the successful seizure of the vehicle and arrest being made of the suspect.

During evening Police patrols, Officers have encountered vehicles in Debenham, Palgrave and Hoxne which when approached, contained evidence of a controlled substance. The suspects were dealt with by way of a warnings and a caution.

Suffolk Constabulary is hosting a recruitment evening for Special Constables. The event will be held at Brome Grange Hotel, Norwich Road, Eye IP23 8AP on Wednesday 30 November, starting at 7.30pm. If you intend to go along to this event, please confirm your attendance by e-mailing specialsandvolunteers@suffolk.pnn.police.uk.

Crime Protection Advice

Don't get caught out this Christmas...

Avoid leaving presents and valuables on view – it's a temptation for opportunist thieves.

If you know you are going to be out during the hours of darkness take steps to make your home appear occupied. Leave lights on or set lights on a timer to go on and off as your normal routine.

Avoid keeping large amounts of cash at home.

If you are going away ask neighbours to help. Ask them to close curtains, remove post and put the bins out.

Never leave keys in the locks. Keep your keys in a safe place out of view and away from your doors.

Dispose of gift packaging carefully. Make sure you only put your rubbish out just before collection and do your best to fold boxes to avoid advertising your new purchases.

Never leave spare keys hidden outside or hanging inside the letterbox as they will most likely be found.

Raising Community concerns

There are a number of ways you can get in touch with Suffolk Constabulary depending on the urgency and type of request.

By telephone in an emergency always dial 999. Dialing 999 is a must if you are facing an incident or crime right now and you need police help immediately.

The Suffolk Constabulary non-emergency number 101 is the number to call when you want to contact police when it is less urgent than 999.

The non-emergency number is available 24 hours a day, seven days a week.

Alternatively you can report a crime online.

If you want to speak to your local Safer Neighbourhood Team and it's not urgent using email will be quickest and if you want any member of the team they will get back to you within 24hrs. The SNT email address is: leiston.snt@suffolk.pnn.police.uk

If you have an issue with how the police have handled a local community matter, such as dealing with an incident of ASB, or if you have an issue relating to something like a series of crimes occurring in your area, we advise that you speak to your locality Inspector Mark Jackson, to highlight your concerns. Inspector Jackson will be able to review the circumstances of the incident/matter and our response and make an assessment about how it is handled.

If the nature of your concern is more serious, we have a formal complaints process and details for this can be found at: <http://www.suffolk.police.uk/contactus/complaintsandcompliments.aspx>.
