## Hadleigh

### You said...

Reports of ongoing anti social behaviour in Hadleigh and Capel St Mary

Speeding in the villages

Anti social use of off road motorbikes in the area of Bobbits Lane

### We did...

Patrols have been conducted in hot spot areas and the SNT have attended a meeting with the head teachers of the High Schools in the area  
Multi agency meeting being arranged in December to try and address the issues.

On going monitoring of situation and zero tolerance approach to those involved

Next speeding day of action to be arranged

Online questionnaire completed and evidence being collated.

### Inspector Kevin Horton

### Responding to issues in your community

The team have been continuing with their patrols of hotspot ASB areas and are taking a robust approach with dealing with anyone found causing any offences. The multi agency meeting is being planned in December to try and work with the parents of the youths. Evidence is being collated in preparation to work with the parents of the youths involved to try and reduce further problems. The SNT receive a lot of complaints of speeding in the villages and the next Speeding day of action is being planned.

The following is a message from ACC Kearton;

'We have spoken to you a lot about the changing demands we are facing in policing our communities and keeping you safe. In order to keep you updated and to help you understand the demands that we are dealing with on a regular basis, we have developed a focused section as part of this newsletter highlighting the demands at both your SNT and force level across a typical week. This information provides you with the context in which your local teams are currently working. We hope that you find this helpful and informative.'  
ACC Kearton, Local Policing.

### Making the community safer

The team continue to engage with youths across the area who are causing issues within the community and we are also working with local shops, businesses and high schools. The SNT have also been collating evidence against a male who has been causing problems in the Stutton/Holbrook area and are looking to issue him with a community protection notice (CPN). The CPN is a fantastic tool to tackle ASB and can be issued to a business or an individual so long as we can prove the conduct is having a detrimental effect, of a persistent or continuing nature, on the quality of life of those in the locality and the conduct is unreasonable.

### Preventing, reducing and solving crime and ASB

The SNT have been working with the designing out crime officer to look at ways to reduce and prevent the use of off road bikes in the Bobbits Lane area. A questionnaire was drafted which allowed people affected by the issues to let the SNT know. We had a total of 131 submissions and are now in the process of assessing these responses and making contact with people to obtain statements. If you are experiencing problems with off road bikes and did not complete this questionnaire then please get in touch using the contact details below.

The SNT have met with the head teachers of Claydon High School, East Bergholt High School and Hadleigh High School to discuss the core group causing the most problems in the community and we are now working even closer together to try and resolve the problems residents are experiencing in the evenings.

### This SNT covers the following parishes

Alton, Berners, Brook, Dodnash, Hadleigh North, Hadleigh South, Holbrook, Lower Brett, Mid Samford, Nayland, Pinewood, South Cosford

### Future events

PCC and Senior Police meeting - Wednesday 15th November 2017 at 19:00 hours at Capel St Mary Village Hall. This is your chance to come along to raise any concerns and to find out about the work officers in the area are undertaking.
