As a result, Officers have been briefed about the risk to panel type vans and have been conducting targeted patrols in vulnerable areas such as ind.estates.

Responding to issues in your community

Southwold and Reydon were targeted overnight between the 15th & 16th of October when a number of panel vans were broken into and power tools stolen. Try & remove as many valuables from your vehicle as possible when unattended. For crime prevention advice see the 'First Principle' page on our website at <https://www.suffolk.police.uk/advice/crime-prevention-z>

Making the community safer

Members of the Halesworth Safer Neighbourhood Team were at the Riverside Centre, Stratford St. Andrew last week with partner agencies, taking part in this years' Crucial Crew event. It's an annual event which delivers hard hitting, street wise information to 10 & 11 year olds who attend from local schools. It was particularly timely this year, as the policing message for 2018 was about ASB, just prior to Halloween

Preventing, reducing and solving crime and ASB

This years' Halloween appears to have passed with not a single report of ASB or damage reported for the Halesworth / Southwold areas. The Safer Neighbourhood Team were out and about on the night engaging with Trick & Treaters and it was good to see how many had taken advantage of the free posters downloaded from our website encouraging or discouraging callers.
