### Responding to issues in your community

We have been working with partner agencies to help reduce ASB and disorder around Halesworth Town park following reports from nearby residents.

Ongoing licensing checks have taken place at licensed premises to help reduce reported ASB and disorder.

### Making the community safer

Police have helped and supported a male who has been sleeping rough in the area so he can receive specialist help from partner agencies.

The speed data recorder has been placed at various locations across the locality, following complaints of speeding.

### Preventing, reducing and solving crime and ASB

Licensing checks are being conducted with local pubs and trading standards to make sure licenses are being adhered to.

Local town parks are being patrolled to help monitor and prevent any ASB from taking place.
