Ongoing problems relating to ASB issues happening at the teen shelter in Halesworth Town Park.

We did...

Officers are being tasked to patrol the park and engage with those responsible for the ASB.

Responding to issues in your community

Rural patrols being conducted by officers in relation to the growing number of thefts from motor vehicles (mainly work vans). Please refer to our recent media release offering crime prevention advice.

Letters have been posted to local residents living near to Halesworth town to come forward if they are experiencing any ASB in relation to the park and the teen shelter.

Making the community safer

A new officer will be joining the team on 6th November. PCSO 3342 Matt Newman will be joining the team from Stowmarket SNT.

The safety camera van has been around the area at various sites completing speed checks. This follows complaints from residents.

Preventing, reducing and solving crime and ASB

Proactive patrols were undertaken by officers over the Halloween period as part of an operation conducted county wide to support the community and to keep people safe.

Licensing checks were conducted by officers and Trading Standards to make sure local pubs and licensed premises adhere to their license regulations.
