FURTHER INFORMATION

Inspector Danny Cooper -

Welcome to our new newsletter which has replaced the old town and parish council reports following the Suffolk local policing review.

Local crime information is unavailable at this time as our analytical team are working on an improved search facility to ensure that the figures quoted are accurate. We will keep you posted on the progress for this.

There have been changes to how we work. The SNT specialist roles highlighted below will be carried out alongside regular crime fighting duties that our officers currently perform. I will soon announce the date of my public meeting where i will explain more about the changes. This has been delayed due to a clash of dates.

If you need to get in touch to discuss a long term issue or would like to suggest a priority, please do so using the contact details above. In an emergency, dial 999.

Thank You
