# FURTHER INFORMATION

## - UPDATE ON CRIME DATA

Crime data is now available. Thank you for your understanding whilst we implemented and tested our new computer system. We know that this has caused some uncertainty and frustration. You will notice that the data is for May 2016. This is to ensure that all crimes during a month are captured accurately. Unfortunately, not all crimes will be reported and counted by the time our newsletter is published (7th of each month) and so this delay ensures that the data received is correct and a true reflection of what has taken place. We will mention any more recent crime series within the further information area if appropriate.

## - EXPLANATION OF CRIME DATA

There were thirteen house burglary crimes in May 16. The Locations for ten of these crimes was covered in the last newsletter as they were believed to form part of a series. We are please to report that this series stopped following the arrest and charge of a local man. Although there was insufficient evidence to charge him with all of the offences, his arrest has clearly impacted on the number of crimes.

Violence with Injury includes the offences of Actual bodily harm (ABH) and above (Based on level of injury)

Anti Social Behaviour (ASB) will include, Rowdy and Inconsiderate behaviour, street drinking, littering etc.

Incidents recorded - Includes all incident 'logs' created by our control room for the areas included within this news letter.

Investigations recorded includes all crimes, child / adult referral forms to other agencies (inc mental health), and Domestic abuse. We have to record much more than just crime!

During the coming months, you will be able to compare data on a month to month basis.

# FURTHER INFORMATION

## - OTHER NEWS

-Following an Aggravated Burglary in Hargrave on the 26th June, CID officers are still conducting enquiries and local officers continue to patrol the area. We request any information relating to this incident to be reported via 101 quoting ref 37/40794/16.

-We are aware of at least 3 damage incidents occurring at the Clare Country Park over the last 3 weeks involving vandalism to the public noticeboard and bench. We will be working to resolve this issue and would appeal to anyone has any information to please contact us via the email address.

-Now that the new model of delivering your local policing is 3 months old we wanted to remind you of the many ways you can get in touch with us.

Most importantly, if it's an emergency always ring 999. However, if it's not an emergency but you wish to report a crime or a concern for safety then use 101. If you simply wish to contact your local team, perhaps to tell us about Anti-Social Behaviour (ASB) or to tell us about your concerns about how the police have handled a local community matter, why not in the first instance speak with your local SNT Sergeant and discuss the matter with them?

Your local Sergeant will be able to review the matter and, if required report back to you with their findings.

If you want to speak to a local SNT officer and it's not urgent then an email will be quickest means to get in contact, and if you need a reply then a member of the team will get back to you within 24hrs.

Remember, the demand on 101 is very high and if you don't need to report a crime we would encourage the use of email.

Finally, our brand new and interactive website will be on-line in the Autumn which will give you direct access to your teams in a fast, secure format, as well as providing loads of really useful information.
