Vehicles causing ASB in the supermarket car park during evening hours and on Homefield Rd industrial estate

We did...

Pcso Les Scott has liaised with businesses offering support and crime reduction advice. Banning letters will be issued to those found causing ASB in the supermarket car park, and one motorist to be given a s59 warning. Officers will continue to monitor the situation and work with our local businesses and partner agencies.

Inspector Danny Cooper

Responding to issues in your community

Ongoing work has been undertaken by Pcso Lorna Chapman in collating information from local residents concerned about drug dealing in various areas of Haverhill. This remains as our priority work and as a result 4 males were stopped searched in Hazel close on Friday 25th April, a male from Essex was found in possession of a knife and charged.

A big well done to Pc Darren Marshall and the Cadets who assisted the village of Rede recently by undertaking in a litterpick - it's a shame litter continues to be a blot on the landscape, is it so difficult to use a bin or take litter home?

Making the community safer

Pleased to announce the locations for Clare's Community Speedwatch have been ratified and we look forward to seeing the volunteers in those areas soon.

Speeding continues to be one of the 'Fatal Four' and as such we will continue to assist the Camera Safety Team in deploying staff in areas where feedback shows some motorists are clearly driving too fast causing an unnecessary danger.

Suffolk Police is now looking for more volunteers following the launch of the Local Policing Volunteer pilot scheme on 1st April. If you fancy providing a visible presence within the community and act as the "eyes and ears" you can report/phone direct to the local SNT, the please take a look at the attached leaflet.

Future events

13th May - Bury to Clare run/walk finishing at Clare park

15th May - Little Wonders
Pre School visit by Pc
Claydon/Pcso Morgan

Local Cadets are hoping to appear at the Suffolk show at the end of the month.

NB:

It's with sadness that we bid farewell to Lorna Chapman who has been a PCSO with Suffolk for over 10yrs. We wish her all the best with her new career and will miss her hard work and enthusiasm.

Preventing, Reducing and Solving Crime and ASB

The team is currently is investigating a number of small pockets of isolated ASB in and around Haverhill, as well as in a couple of the outlying villages.

A male living in Haverhill was recently served with a Community Protection Warning Letter as his behaviour was causing his neighbours distress, he breached this within 24hrs and was served with a full notice, any further breaches could result in an arrest!

Let's get some good feeling back in the community, may be the impending summer weather can help.

We've received a small number of Drone related incidents, as expected with this latest phenomenon. To assist people on the flying of their latest toy we've included the DRONE CODE as published by the Civil Aviation Authority -

Don't fly near airports or airfields

Remember to stay below 400ft (120m)

Observe your drone at all times - stay 150ft away from people and property

Never fly near aircraft

Enjoy responsibly

What is a Local Policing Volunteer?

Local Police Volunteers are part of the Police Support Volunteering Scheme.

You will be a key part of the Police family which includes Police Officers, Police Staff and the Special Constabulary.

The Primary roles of Volunteers are to:

- Free up Police Officers and staff to carry out policing tasks
- Strengthen our links within the community
- Improve and enhance the quality of our service

For information on this or other Police Support Volunteer roles please contact us:

Telephone: 01473 613570

Local Policing Volunteers

Supporting Suffolk Constabulary in your local area

What is it all about....?

We would like you to be the eyes and ears of your local community. As you know your area, you'll know what's usual and what's out of place. We just want you to tell us if you notice anything unusual.

- **At no point will you be required to get directly involved – leave that to the Police.**

Trust your instincts and if you see anything suspicious or have a hunch that things 'just aren't right' then report it to the police by telephone or email.

- **Your information may be the final piece of the jigsaw in a criminal investigation.**

The Local Policing Volunteer scheme is for members of the local community who would like to offer support to Suffolk Police by being a highly visible and accessible point of contact.

Whilst carrying out your usual activities, we would like you to report any suspicious activity, anti-social behaviour, damage or any community safety issues to us.

You will be helping Suffolk Police in detecting crime by promoting effective communication and the prompt reporting of suspicious and criminal activity in your community.

Your presence will also help to promote crime prevention awareness in your area.

What is required?

We would like you to:

- Report anything unusual or suspicious directly to the police, whilst out in your local area, undertaking the Local Policing Volunteer role.
- Reduce the fear of crime and anti-social behaviour in your community by promoting a sense of security and community spirit particularly amongst the vulnerable and isolated.
- Identify hot-spot areas of crimes or anti-social behaviour and report these to the Police Command and Control Centre.

You will not be required to wear a uniform but we will provide you with a high visibility tabard to wear over your normal attire, to ensure the community is aware you are a Local Policing Volunteer.

You have to be 18 or over and you must be willing to complete Suffolk Constabulary Vetting.

How do I join?

- Fill out your details on the back of this form and post it back to us at the address given.
- Or telephone 01473 613524 for further information.
- E-mail: specialsandvolunteers@suffolk.pnn.police.uk
- Or visit our website: www.suffolk.police.uk

INTERESTED IN VOLUNTEERING?

BE A LOCAL POLICING VOLUNTEER

Interested in volunteering and working with your local Safer Neighbourhood Teams?

We are looking for volunteers in your town or village to take part in a new 'See & Report' scheme.
